

# COOKIES

Our Website uses cookies to distinguish you from other users of the Website. This helps us to provide you with a good experience when you browse our Website and also allows us to improve the Website. A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive. The cookies we use are 'analytical' cookies and they allow us to recognise and count the number of visitors and to see how visitors move around the Website when they are using it. This helps us to improve the way our Website works, for example, by ensuring that users are finding what they are looking for easily.

You can find out more information about the individual cookies we use and purposes for which we use them for in the table below:
